RE: Petition of the Office of Regulatory Staff to Establish Dockets to Consider Implementing the Requirements of Section 1251 (Net Metering and Additional Standards) of the Energy Policy Act of 2005  
PSC Docket No.: 2005-385-E

Dear Mr. Terreni:

I have received Len S. Anthony's letter of May 1, 2007 and I am responding to it by this letter. To clear up any confusion all witnesses whose testimony I filed on behalf of myself and Ms. Greenlaw will be testifying on behalf of myself and Ms. Greenlaw as interveners. I am acting in no representative capacity of anyone. I do not represent the witnesses but rather I am offering them as simply witnesses. To reiterate I am not acting in a representative capacity for any party other than myself.

If anyone has any questions they may feel free to contact me. I hope that this clears up any confusion that may exist.

Yours truly,

A handwritten signature in black ink, appearing to read "J. Hardaway".
